# Getting started in construction

The Wise Group is a leading construction training provider, delivering skills development training courses to people across Scotland. Our Skills team can help you gain the key qualifications you need to get started in a career in construction.

Our online CSCS Card Construction Training is an entry-level health and safety focused course. Completion of this training and relevant tests gives you the required accreditation to work on a construction site.

The Wise Group is an Individual Training Account (ITA) Approved Provider, meaning you could apply for funding of up to £200 to complete our training.

ITA funding could be right for you if you're:

- Aged 16 or over
- Not in education or involved in any other Skills Development Scotland funded programme
- Unemployed and looking to get back into work
- Employed and earning less than £22,000 per year and looking to progress in or change your job
- Resident in Scotland
